HARC, Inc. is supported by a collaboration of over 35 community partners to create a health assessment and resource center (HARC) for the greater Coachella Valley area. The Organization will provide comprehensive, timely, objective and scientifically collected and analyzed data for organizations to use in their own strategic planning, business development and needs assessment processes. In addition, HARC partners will be demonstrating community involvement and concern for the quality of life for all of the residents of the Valley.

HARC, Inc. made a final payment to Desert Healthcare Foundation for \$78,000 for the reimbursement of payroll and benefits paid by Desert Healthcare for HARC employees.
