

The Second Annual
Coachella Valley Workplace Wellness Awards

Recognizing excellence in healthy organizations

Presented by 

Why Workplace Wellness?

Benefits of wellness programs at work include increased productivity, decreased absenteeism, improved morale, decreased healthcare costs, and decreased legal costs.

Why nominate your workplace?

Organizations that get recognition for having a healthy work environment are often better able to attract and retain top talent, reducing costs and increasing productivity.

About the Awards

Two winners – one small company (1–100 employees) and one large company (101+ employees) – will be chosen in four categories:

Nutrition, Fitness, & Health

Includes programs such as: providing healthy options in vending machines; providing gym memberships to employees; holding walking meetings; offering health screenings; health fairs; and much more.

Safety & Environment

Includes programs such as: safety trainings; promoting proper use of equipment; ergonomic evaluations; injury prevention; reducing exposure to toxins; and much more.

Wellness & Mental Health

Includes programs such as: efforts to improve team dynamics; promoting work–life balance; recognizing outstanding employees; supportive supervisors; and much more.

Grand Prize Winner

This award will be presented to one small and one large business that exemplifies all three areas – Nutrition, Fitness, & Health; Safety & Environment; and Wellness & Mental Health.
