# About HARC

---

HARC, Inc. (Health Assessment and Research for Communities) is a nonprofit 501(c)3 organization, founded in 2006, located in Palm Desert, CA.

HARC provides research and evaluation services that relate to health, wellness, and quality of life. Our research and evaluation is focused on improving lives where people live, work, learn, and play.

HARC provides the information that organizations need to do their best work and improve lives. We help organizations to better understand the needs in their community and to measure the impact their work is having.

## Partners in Publicity

---

In addition to our funders, HARC would like to thank the many organizations who helped get the word out about the survey and encourage their constituents to take the call. These organizations helped publicize the survey at no charge because they understand the value of the data. As a result of the dedicated efforts of these partners, more community members agreed to participate, thereby improving the quality and accuracy of the data.
